Event Hire Catalogue

OUR HIRE RANGE

In recent years, we have seen a huge increase in the DIY weddings and events market. Our customers are inspired by the amazing set ups they see on social media, but without any professional experience, they often need some additional support to deliver their vision.

In addition to creating unique events, our hire packages also help with the unprecedented pressures on our day-to-day budgets. Despite these challenges, celebrating in style and making memories with family and friends remains at the top of everyone's agenda!

Our hire service brings the best of both worlds. Visit our showroom to browse our stock range and take advantage of our years' of experience delivering exceptional events. We know what works and how to do it.

As an added bonus, this is the most sustainable option for event decor, there is no need to buy new unrecyclable, single use items.

Show us your ideas, select your items and create your unforgettable day!

Why hire?

- Create Insta worthy set ups with our pick and mix options
- Access premium quality event stock to deliver a high-end look
- Décor created by floral and event experts
- Ready-made décor and prop items to reduce pre-event builds
- Reduced outlay so more to spend on your event
- Quick and easy collection and return
- No pressure to sell after the event to recoup funds
- Your event, your way!

Prices quoted are on a dry hire basis, if you need any help with your set up, we can do as much or as little as you need, for a fixed hourly rate.

TERMS AND CONDITIONS

Hire stock is provided on a dry hire basis. The buyer is responsible for set up and take down.

The advertised prices are based on collection and return to the Marvelle Events studio in Stoneywood, Aberdeen. Delivery and collection can be provided at an additional cost.

Items identified as consumables are purchases, all other items must be returned.

Prices quoted for table and chair linen includes laundering of 'general wear and tear' marks. Where stains cannot be removed, the full cost of the damaged item will be charged. This includes candle wax, oils and greases, bioliquids, burn holes and tears, ink and dyes, mildew and chewing gum.

Any damp linens should be airdried after the event to prevent mildew.

In addition to the hire cost, a deposit is required, depending on items hired, which is refundable on the safe return of the hire items.

The hirer is responsible for all items from collection to drop off and will be charged for any loss or breakages.
